**SARAH NETBURN, United States Magistrate Judge:**

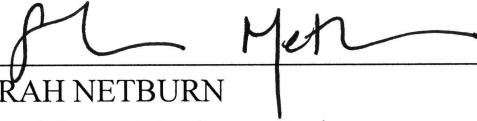

As stated on the record during the April 30, 2021 discovery conference, Defendants should produce all responsive documents no later than May 14, 2021.

In addition, Plaintiff raised the issues discussed at today's conference in an April 26, 2021 letter that was filed in redacted form and under seal pursuant to the Stipulated Confidentiality Agreement and Protective Order. See ECF Nos. 46, 55. The Protective Order directs a party filing a document with Confidential Discovery Material, as defined by that Order, to "file a redacted copy of the Confidential Court Submission via the Electronic Case Filing System," and "file an unredacted copy of the Confidential Court Submission under seal with the Clerk of this Court." ECF No. 46.

Plaintiff has not complied with the procedures in the Protective Order. Before refile, the parties are ORDERED to meet and confer to discuss whether the letter or its attachments must be filed in a redacted version. If the parties believe redaction is necessary, Plaintiff is directed to refile the redacted copy of the April 26, 2021 letter and its corresponding attachments

on the public docket, and shall file an unredacted copy of the April 26, 2021 letter and its attachments on the docket with the applicable viewing restrictions.

**SO ORDERED.**
